

# Montessori At Sandy Ford Read-A-Thon School Fundraiser 

December 16, 2023 - January 13, 2024

Dear MSF Families,
Our tenth annual Read-A-Thon fundraiser gets underway this week! This is our major school fundraiser. Last year's Read-A-Thon raised over $\$ 14,000$, which was used for upgrading technology and improving our operations! 69 students participated, raising an average of $\$ 202$ each. More importantly, it's really good for our kids! This school-wide fundraising event is unique in that the children take ownership of and pride in it. Please help your child set and achieve their goals. They'll benefit greatly from the fulfillment of participating, contributing and succeeding.

Our students' ages vary greatly, and even the youngest contribute! Last year, average minutes read per day, over the 29-day period, ranged from 5 minutes to 2 hours. It's ALL GREAT and every minute helps the students and the school! The elementary and junior students have always loved the Read-In, which is an overnight reading event held at the school with staff and parent volunteers. Early Childhood students may also choose to participate in a short evening Read-In held on the same day. This year's Read-In will take place Friday, January 12 ${ }^{\text {th }}, 2024$.

Most students participate by gathering sponsors and logging their reading minutes. Others participate via the OPT OUT form and a donation. Both types of participation are greatly appreciated!

$\qquad$ TOTAL MINUTES IN 29 DAYS! ( $\qquad$ Minutes/Day * 29 days)

Dear Family, Friends and Neighbors:
I am asking you to sponsor me in my school's Read-A-Thon fundraiser. I will spend less time on devices and watching TV and spend way more time reading over the 29 days! I'll do my best to achieve my reading goal of
$\qquad$ minutes per day. You can sponsor me by the minute or a flat rate. For example, if you sponsor $\$ 0.10$ per minute and I meet my goal, you would donate \$ $\qquad$ Would you like to sponsor me? You don't have to pay today, I'll be in touch the week of January $14^{\text {th }}$ to let you know how many minutes I read and to collect the money you were so kind to pledge. THANK YOU!

## Why Should Students Participate?

This is a unique school fundraiser in that the students are the major players! They take pride and ownership in being able to raise money for their school, gathering pledges and achieving goals. Many discover a love of reading in their spare time and like to read in the car to/from school. We will support and encourage them whole-heartedly in this community endeavor. We'll recognize all students who participate, whether by reading or by the OPT OUT form, with a certificate showing their minutes read and dollars raised (if applicable), and we will celebrate our efforts upon completion.

## What Minutes Count?

- Reading before and after school counts. Even if you're in early-care or after-care, those minutes count. Reading while in school, 8:30 AM to 3:00 PM, doesn't count, with the exception of reading during playtime, which does count.
- Reading before the official start of the Read-A-Thon does NOT count.
- Being read to by other people counts, as long as it is not within school hours.
- Listening to an audio book counts, as long as it is not within school hours.
- Reading aloud to a pet counts.
- Reading aloud to other people counts. Read to the elderly in a nursing home. Or read with a friend. If you happen to read to someone who is also participating in the Read-A-Thon, it counts for BOTH of you!
- Reading under the bed covers, with a flashlight counts (but only if it's ok with your parents).

## Read-A-Thon Rules

- Sponsorship Forms are used to track your sponsors and how much they have pledged to donate.
- The Minute Recording Sheet must be used to keep track of how many minutes you read each day.
- What if I miss a day? You can make up for missed days by reading extra the next day. We recommend you try to read each day though, to make achieving your goal easier.
- Parents must initial the Minute Recording Sheet each day to confirm that their child read all their logged minutes.
- Please don't guess minutes. Please look at the clock or use a timer or stopwatch to clock your minutes.

## How Long Should Students Read?

Below are reasonable reading goals per day, based on age, but please set your own goals:

| Level | Minutes per Day | Minutes over the entire 29-day Read-A-Thon |
| :--- | :--- | :--- |
| Early Childhood | $10-15$ minutes | $290-435$ minutes |
| Elementary | $20-30$ minutes | $580-870$ minutes |
| Junior/Middle: | $30-60$ minutes | $870-1740$ minutes |
